

116TH CONGRESS
2D SESSION

H. R. 7157

To require pilot programs in connection with Senior Reserve Officers' Training Corps units at Historically Black Colleges and Universities and minority institutions, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

JUNE 11, 2020

Mr. BROWN of Maryland (for himself, Ms. BLUNT ROCHESTER, and Mr. MURPHY of North Carolina) introduced the following bill; which was referred to the Committee on Armed Services

A BILL

To require pilot programs in connection with Senior Reserve Officers' Training Corps units at Historically Black Colleges and Universities and minority institutions, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Fostering Leadership
5 and Inclusion by Growing HBCU Training Act of 2020”
6 or the “FLIGHT Act”.

7 **SEC. 2. FINDINGS.**

8 Congress makes the following findings:

1 (1) The Fiscal Year 2018 Population Represen-
2 tation in the Military Services report found that
3 while minorities comprise 38 percent of the national
4 population, they comprise only 23 percent of the ac-
5 tive component commissioned officer corps.

6 (2) The Fiscal Year 2018 Population Represen-
7 tation in the Military Services report further found
8 that African Americans only comprised 8 percent of
9 the active component commissioned officer corps,
10 while more than 12 percent of the general popu-
11 lation is African American.

12 (3) The Fiscal Year 2018 Population Represen-
13 tation in the Military Services report further found
14 that African-American and Hispanic cadets were re-
15 cipients of a Reserve Officers' Training Corps
16 (ROTC) scholarship at a rate of half of their rep-
17 resentation in the general population.

18 (4) A 2018 RAND study titled "Understanding
19 Demographic Differences in Undergraduate Pilot
20 Training Attrition" found that "[candidates for pilot
21 training from Reserve Officers' Training Corps pro-
22 gram] with more hours of flying experience were also
23 less likely to be eliminated from Initial Flight Train-
24 ing and Primary Pilot Training".

1 (5) In 2020, Air Education and Training Com-
2 mand, in partnership with the University of Texas-
3 San Antonio, conducted a study that reinforced, in-
4 cluding within the Pilot Candidate Selection Method,
5 the number of flight hours a candidate accumulates
6 before attending undergraduate pilot training.

7 (6) The United States Air Force has acknowl-
8 edged that “flight hours . . . can be difficult to ob-
9 tain for potential candidates depending on their
10 socio-economic background”.

11 **SEC. 3. PILOT PROGRAMS IN CONNECTION WITH SROTC**

13 **CALLY BLACK COLLEGES AND UNIVERSITIES**
